**APPLE VALLEY SCHOOL DISTRICT
APPLETON, WA 9999
Resolution #00-7**

Emergency Declaration

WHEREAS, The 2015 Legislature appropriated \$5,000,000 solely to address unexpected and imminent health and safety hazards at k-12 public schools, including skill centers, that will impact the day-to-day operations of the school facility.

WHEREAS, to be eligible to apply for this funding, the Apple Valley School District must declare an emergency through a signed board action that will include the following information in accordance with the proviso language:

- Description of the imminent health and safety hazard.
- The possible cause of the problem.
- Proposed scope of emergency repair work.
- Related cost estimate.
- An identification of local funding to be applied to the project.
- Acknowledgment that this grant would be repaid with any insurance payments or judgments that may be awarded to the district.

WHEREAS, The Apple Valley School district is facing an imminent health and safety emergency at Worm Elementary that will require the interruption of school due to heating mechanical failure.

THEREFORE BE IT RESOLVED that the Apple Valley School District is aware that any insurance payments or judgments our district might receive in reference to this incident will be used to repay the grant if awarded.

THEREFORE BE IT RESOLVED that the Apple Valley School District is declaring an Emergency at Worm Elementary and is submitting the following required information as Attachment (s) X and submitting to OSPI and OFM for possible grant funding.

- Description of the imminent health and safety hazard.
- The possible cause of the problem.
- Proposed scope of emergency repair work.
- Related cost estimate.
- An identification of local funding to be applied to the project.

Adopted this 25th of February, 2014 at the Regular Meeting of the Board of Directors for Apple Valley School District.
